

# Final Exam Review & Test

## Final Exam Folder

In this page you'll find final exam info, the review lecture, and final(ly) the final exam itself

**The final exam will be available Week 11, from Sunday-Wednesday.**

Notes about the final:

- Materials covered are:
  - The five layers and what they're responsible for.
  - Everything covered after the midterm.
- The longer questions are at the end of the exam
- Non-cellphone calculators are permitted.
- A single-sided 8.5x11" sheet of notes (typed or handwritten) is allowed
- Scratch paper is allowed, but must be destroyed after the exam.
- For all calculation problems, give numeric answers (not expressions).
- 110-minute time limit..
- At the end of the test there is a free-response where you can explain your reasoning for any answers, if you so choose.

**Scratch Paper** – If you are using ProctorU please note that you will ONLY be allowed to use a whiteboard or chalkboard for scratch paper. No other type of scratch paper is allowed.

## Recommended Reading

Everything assigned Week 6 through Week 10.
