

# Midterm Exam Review & Test

In this page you'll find midterm exam info, the review lecture, and finally the midterm exam itself

The midterm exam will be available Week 6, from Thursday-Sunday.

## Midterm Rules

- Week 6 Materials (other than Lab 3) are not covered on the midterm.  
*Yes, this implies that portions of Lab 3 are covered on the exam*
- The longer questions are toward the end of the exam
- Non-cellphone calculators are permitted.
- A single one-sided 8.5x11" sheet of notes (typed or handwritten) is allowed
- Scratch paper is allowed, but must be destroyed after the exam.  
**Scratch Paper** – If you are using ProctorU please note that you will ONLY be allowed to use a whiteboard or chalkboard for scratch paper. No other type of scratch paper is allowed.
- For all calculation problems, give numeric answers (not expressions).
- 110-minute time limit.

## Recommended Reading

Everything assigned up through Week 5.
